May of 2009

Dear Brothers and Sisters in Jesus Christ: Thank you for your continued sacrificial support in the tough economic times through which we are living. We believe that you will enjoy hearing how your faithful investment into our Center is impacting lives.

**Client Feedback:** Hi, my name is Ashley Bryan and I learned about the PREGNANCY CARE CENTER from my friend who received help when she was pregnant. When I came to the Center, I was five months pregnant. My spouse and I were experiencing economic hard times. We really needed the extra help the Center gave our family. I have very much enjoyed getting to come down and visit with the staff; they are so warm and inviting, making me feel so comfortable. Plus, getting basic items such as diapers really helps so that we don't have to struggle so much to get by. I can honestly say that my favorite part of the Center is giving back. I love getting to come down and then help out any way I can. I have come to the Center many times to organize the Friendship Room. I also bring anything I can to give to others, and I refer others to the Center. Finally, I would like to say the Center is a very good, strong, & supportive system that helps change many lives. Thank you for your time. With much love.

I found the PREGNANCY CARE CENTER on a resource list for Lawrence. I contacted them to set an appointment for a pregnancy test. That day, I went to the Center, and after receiving a pregnancy test, the staff prayed with me. The feeling was so spiritual. A few days later, I had a sonogram and I asked for a church referral. Shortly after this I began to go to church. The presence of the Lord was so strong in the Center. I now have found my church-home and want to live the life that God wants me to live. This has been a life-changing experience for me. Thank you, PREGNANCY CARE CENTER, for helping me physically and spiritually. ~ **Current Client**

**To our generous friends:** Thank you for all the ways you are encouraging and supporting the PREGNANCY CARE CENTER. We continue to see God's blessing as we work to honor Jesus Christ. The recession means that more women face greater pressure to abort. Would you consider sacrificing \$1.00 a day to help us wage the greatest moral battle of our generation? Please stand with us as we reach out to women in Douglas County with the HOPE of Jesus Christ!

**2 Corinthians 10:3-5** ~ ... *For though we live in the world, we do not wage war as the world does. The weapons we fight with are not the weapons of the world. On the contrary, they have divine power to demolish strongholds. We demolish arguments and every pretension that sets itself up against the knowledge of God, and we take captive every thought to make it obedient to Christ.*

In the Master's service ... *Barbara Watkins* ~ PCC Director
